From WHITFORD NURSERY

1929 Price List

TO THE PUBLIC:

We wish to thank our many customers for the liberal trade extended to us in the past and earnestly solicit a trial order from new customers, assuring them well-rooted, healthy, true-to-name and well grown stock. We have no agents and sell direct, which makes you a saving of 25 to 50 per cent. Our stock is carefully grown, carefully packed to reach you in good condition, and we will try our best to please you.

INSPECTION: Our stock is inspected each year by a State Inspector and each package bears a Certificate of Inspection which states that such stock is free from all dangerous insects and diseases.

SHIPMENT: Stock less than four feet high can be shipped by parcel post when additional amount of ten per cent is added to the order to cover postage. We do not pay transportation as our prices would have to be higher to cover same.

TERMS: Cash with order for immediate shipment; will ship C. O. D., or hold for future shipment where 25% accompanies order.

GUARANTEE: All trees are guaranteed to be fresh, healthy stock carefully dug and packed and delivered to transportation company in good condition; also to be true-to-name, but should any prove not to be, will upon proper proof, replace them, but will not be liable for further damage.

PLANTING INSTRUCTIONS: Sent with each order.

REFERENCES: Bank references and list of satisfied customers will be sent on request.

SMALL FRUITS

GOOSEBERRY—CARRIE (almost thornless) heavy producer; 20c each, \$1.80 per 12; POORMAN, new variety indorsed by Illinois Experimental Station; large fruit, very productive; 35c each, \$3.60 per 12.
